

The King William Feeding Program is provided through collaboration between Quin Rivers Community Action Agency and Crossroads Mission Center. It is designed for children who would benefit from having access to additional food during extended breaks from school. The King William Feeding Program provides meal bags with easy to prepare breakfast, lunch, and snack items. These meal bags are provided for Thanksgiving, Winter, Spring and Summer Breaks. Additionally, Holiday Baskets are available for families for Thanksgiving and Winter Break that provide most of the staples for a holiday meal.

**CIRCLE ONE: I PREFER TO PICK UP AT CROSSROADS **OR** DELIVER TO THE ABOVE ADDRESS**

**Distribution Site:** Crossroads Mission Center 694K Sharon Road, King William, VA 23086

An adult other than the child's parent/guardian, may pick up the food as long as they have a signed note from the parent/guardian. If you miss the Saturday distribution, we cannot provide a makeup day. Please make every effort to be available for delivery or pick up (depending on your selection above) of your child's food during the scheduled distribution.

New applications must be received by Wednesday prior to the day of distribution in order to have your name added to the registration list. Only the names on the pre-printed registration list will be eligible to receive food on the day of distribution. New clients may fill out an application on the day of distribution but will not receive food until the following Saturday.
